

## **9<sup>th</sup> Ruislip St. Martin's Brownies 2015-2016**

During the summer term 2015 9th Ruislip Brownies enjoyed a Circus Skills evening where they learnt to spin plates and ribbons amongst other skills - all towards their Circus Skills badge.

They also worked on their World Traveller's Badge learning basic words in French, Spanish and German along the way. The highlight was the bag each Brownie packed and everyone had to guess where she was going by its contents. Spain, Australia and Peru were amongst the countries. Paddington Bear was the biggest clue for Peru!

The Lido trail has now become an annual event for 9<sup>th</sup> Ruislip Brownies. The weather was kind to us and the Brownies all enjoyed the trail, playing on the equipment and the walk around the area.

Our big event of the term was the 'American Independence Day' celebrations at Willow Tree on Breakspear Road North with many other

Brownies from the district. They took part in numerous activities including wall climbing and water sliding. A great time was had by all!

During the autumn term the Brownies attended the Harvest Festival service at St Martins, took part in the Remembrance Day parade in Ruislip, enjoyed a District Disco and our own Christmas party.

The New Year meant the attendance at the Pantomime 'Dick Wittington' at the Winston Churchill Hall where everyone had a wonderful time.

The spring term ended with an Easter egg hunt around the library, the Guide Hut and the Barn in Ruislip. It was great fun in the dark with torches!
