

## **The Children's Society 2015-2016**

This has been another other year where St. Martin's has continued to give vital support to this Church of England charity in its efforts to help vulnerable children and those facing desperate situations.

This year our giving totalled £1,041.72, so another worthwhile contribution to the cause! This was made up of £281 from our valued box-holders and £760.72 from the Christmas children's services.

**The society has seen a serious shortfall in house box income over recent years. Are there not a few more people out there in the St. Martin's family who would like a box for their small change?**

Thank you for reading this.

**Pat & Rod Turner**

Collection boxes have changed over the years.
