

Prayer Support Ministry 2015-2016

Did you know?

The prayer requests you put on the intercessions board stay on the board for 2 months to be prayed for in Church by parishioners and visitors.....

And

Your prayers are taken into our homes and prayed every day by the members of the Prayer Support Group.

We are a team that holds you in prayer, meeting together once a month in the Church, and on a daily basis at home.

The work involves praying for people and situations as requested on the intercessions board in the Church, in the bulletin, and individual personal requests. We also pray for the work of the parish & St Martin's special links - St Michael's Camden Town; the Bishop, priests and people of Wiawso in Ghana, and the Shrine of our Lady at Walsingham.

Members take it in turns to lead the session and home members receive the monthly prayer sheets to pray at home each day.

This year we greatly mourn the loss of Daphne McGinn, who up until very recently cheerfully supported you all in prayer.

Are you considering
new ways to serve in the Parish? You may feel called to the 'quiet ministry' of prayer support. If so, speak to Father Simon and / or any PSG member; you are most welcome, whether you can come each month to the Church, or whether you simply wish to pray from home.

In any event, we look forward to receiving your prayer requests.

And...

please pray for us in our ministry
