

11.15 Young Church 2015-2016

Our Young Church operates every Sunday during the 11.15am service, during school term. Children range from toddlers (supervised by their parent/carer) through to teenagers.

We gather the children at the front of church and lead them into the church hall, after the beginning of the service.

Each week, we offer a child-appropriate version of the gospel of the week, followed by a bible-reading, hymns and a prayer.

We then offer a craft based on the Gospel, and games for the children.

We finish the session with a reading of The Lord's Prayer, then lead the children back into church for holy communion with their adults.

We operate a fun and engaging children's service, and work closely with the leaders of the 9.15am Young Church to ensure a consistent format for the children.
