

## **9.15 Young Church 2015-2016**

It has been another great year at Young Church.

We have an average of 13 children a week.

Each week we read the Gospel followed by a short talk/discussion.

We then do a craft which Victoria Golby has organised. We are very thankful to Victoria as she now provides crafts each week for both the 9.15 and 11.15 Young Church.

This coming year we hope to have time to look at some of the wonderful Old Testament stories with the children.

Thank you to all the leaders and helpers who turn up each week, this is a very important part of our Church's life and would not be possible without their help.
